

the ESSENTIALS

EYE-CONIC BLISS

TimeWise® Eye Cream

Effectively improves fine lines, dullness, firmness, and texture, while the infused algae extract helps reduce the look of dark circles*. The quick-absorbing formula also allows for seamless makeup application with minimal wait time and leaves the undereye moisturized for up to 12 hours†.

Mary Kay Perfecting Concealer*

Conceal minor imperfections and blur the appearance of fine lines with this long-lasting, lightweight formula that gives you crease-proof coverage. Use the applicator to place 1-3 dots anywhere blemishes need to be covered. Blend using fingers or any Mary Kay applicator.

Blending Sponge

Achieve a flawless finish with this easy-to-grip, ergonomically designed blending sponge. Dampen the sponge and gently pat the flat end to blend larger areas of the face and the pointed tip for hard-to-reach areas like under the eyes. Use with liquid and cream formulas.
