

Mother & Daughter PAJAMA PARTY

A pajama party event designed for Mothers and Daughters to enjoy together!

Come together dressed in your favorite PJ's and slippers for some girls-night-out giggles! Let me get your face ready to tuck into bed with wonderful Mary Kay® skincare products. You'll be sure to lay your head down on your pillow that night with super-smooth skin and a smile on your face. This is a wonderful outing for a Mother's Day celebration.

There will be a prize for best pajamas!

Light refreshments, snacks, great specials, sweet pampering, and pink dreams are on me... so come and join the fun!
